Adults In The Room: My Battle With Europe's Deep Establishment Yanis Varoufakis boken PDF Varoufakis sparked one of the most spectacular and controversial battles in recent political history when, as finance minister of Greece, he attempted to re-negotiate his country's relationship with the EU. Despite the mass support of the Greek people and the simple logic of his arguments, he succeeded only in provoking the fury of Europe's political, financial and media elite. But the true story of what happened is almost entirely unknown - not least because so much of the EU's real business takes place behind closed doors.
